

Childcare Specialists of the Year

care 4 kids babysitter and nanny agency

care 4 kids is a babysitter and nanny referral agency covering the Greater Zurich region of Switzerland. Founded in 1990, they work with nearly 200 selected nannies to provide long-term, regular childcare – where the nanny is employed directly by the family – as well as short-term, ad-hoc placements and childcare for a temporary period, with nannies employed by care 4 kids working on an hourly basis. In addition, they offer nannying for tourists at their many partner hotels, and a team of nannies can be booked with animation packages for parties and events. Advice and coaching are also available to help parents assess their childcare needs or help them through administrative issues. care 4 kids is licensed by the Office of Economy and Labour of the Canton of Zürich.

The judges commend care 4 kids for their unmatched nanny services, which are a result of rigorous admission procedures, and thorough assessments of each family's childcare needs. Providing initial training, individual consulting and solid contractual information, the agency has built up a wealth of first-class references in the 30 years since its founding. care 4 kids go out of their way to advise, coach and support both families and nannies should issues arise, and their competence in all areas of childcare has established strong trust with clients. Services continue to be developed, with the agency now providing childcare whilst mothers give birth.
